RE: Vulnerable Sector Screening Application – Coach/Volunteer/Board Member

As the President of the Lucan-Ilderton Minor Baseball Association, I am writing to you today to provide supplemental documentation in support of the following Coach/Volunteer/Board Member for the 2024 summer baseball/softball season:

Name: _____ (print name)

The Lucan-Ilderton Minor Baseball Association has boys, girls, and mixed teams in various age divisions including teams with players 18 years of age and younger (the “Vulnerable Group”). Coach/Volunteers will be working in close contact with and often in an oversight capacity with players, including players 18 years of age and younger.

In light of the Coach/Volunteer/Board Member’s role in relation to this Vulnerable Group, we are respectfully requesting that our Coach/Volunteers submit a request to process a VULNERABLE SECTOR CHECK (“VSC”) through their local police detachment.

Thank you in advance for your support in processing the Coach/Volunteer/Board Member’s VSC check at your earliest convenience.

Regards,

Rob Cascaden
President, Lucan-Ilderton Minor Baseball Association
